

# Car Cricket - the Preschool Edition

Easy, fun and educational, car cricket is a great family game for car trips.

Take turns batting to see who ends up with the most runs. In its simplest form each vehicle equals one run and a red car means you are out!

To make it more interesting for older, more capable children allocate vehicles different run values.

For example:

- Cars = 1 run
- Cars with a trailer = 2 runs
- Bus or truck = 4 runs
- Semi-trailer = 6 runs

Below is a score card - great for teaching the kids to tally!

Name	Tally	Total
